## Purpose and Scope

The **Advanced Medical Torts Course** reflects the astonishing evolution of the field from pure negligence, causation, damages to the intricacies of Ch. 74, the complex interplay with lien holders, the mushrooming of the definition of health care and health care provider, and the ancillary claims that frequently accompany medical cases. Designed for advanced practitioners dealing with health care claims, the program strives to bring current, relevant information to practicing attorneys.

## Searchable CLE Articles

**TexasBar**CLE

Find the law,  
then practice it.

Explore over 21,000 CLE articles for free. That's what the State Bar of Texas has in mind with its Online Library, an ongoing collection of high-quality course articles. An improved search engine helps you search for terms, phrases, or names in one or all of the following areas:

- ▶ Article text
- ▶ Table of contents
- ▶ Author name
- ▶ Article title
- ▶ Course name

**Searches can be narrowed further by:**

- ▶ Practice areas
- ▶ Range of years
- ▶ Specific year

You can also perform a completely new search within a specific article from the search results—a search within a search.

Imagine having access to the analyses and insights of some of the best legal minds in Texas. Plus, the Library will grow during your subscription, as more articles come online.

**Think of the advantages:**

- ▶ Research quickly and efficiently.
- ▶ Stop storing shelves of CLE materials.
- ▶ Collect articles for a specific topic or practice area.
- ▶ Access what you want anytime, anywhere.

Purchase individual articles for **\$29** each, or enjoy unlimited article downloads with a **\$295** annual subscription.

Spend less time finding the law and more time practicing it. Access the **Online** Library at [TexasBarCLE.com](http://TexasBarCLE.com).
